### Drive more business and keep the hype going

- In addition to collecting game pieces, a Player may find "vacation cash". Rather than a piece to add to the game card, your casino can give away free play or cash prizes. You determine the amounts and the number of "vacation cash" pieces and the amount... \$5, \$10, \$25, \$100...
- The 14 finalists that did not win the grand prize can receive 2 roundtrip airline tickets, a gift card from one of the popular air carriers in your city or a set of luggage.
- If you are planning a group trip or cruise for your players, adjust the point value and do 2 drawings a month, up till 2 months prior to travel.
