

Here's how it works:

Players earn piggy banks by earning points on their player's club cards. When the determined number of points are earned they are sent to the "hog farm" to choose a piggy bank. The banks contain prize tags and there's no need to save up! Players open the banks to reveal the prize tag inside to see what they have won. Prizes can be anything from free play in , buffet, a t-shirt, or a Grand Prize of CASH to draw a crowd.

Prizes are determined by the casino. You decide the prizes and how many to give away. This is YOUR PROMOTION. The possibilities are endless! Players get to keep the pig, so they can save up for their next casino trip or even gift it to kids or grandkids, and we ALL know how popular that is.
